

WILDERNESS TRAIL EDUCATIONAL COOPERATIVE

Posting: JOB DESCRIPTION

Job Title: Full Time Math Consultant

Qualifications: Masters degree in math and experience of teaching in the field of math required. Some secondary experience is preferred. A strong understanding of basic math concepts generally taught at the elementary level is also necessary. Experience in preparing Professional Development training, Strong interpersonal relationship skills, Previous leadership experience such as curriculum coach, department chair, Highly Skilled Educator, or administrative experience preferred.

Reports: WTEC Director

Responsibilities:

- Develop and coordinate consultation, technical assistance, and job-embedded professional development activities for regular and special education teachers, paraeducators, and administrators.
- Work collaboratively with the KDE and the math consultant role group to design and implement a state wide comprehensive math plan.
- Work collaboratively with local district staff, Gap Coordinators, HSEs, and math coaches to implement math initiatives, which will result in improved performance of students including those with disabilities and other at-risk groups of students.
- Provide training for staff on instructional/learning strategies including collecting, analyzing, and interpreting ongoing data on the effectiveness of the interventions.
- Complete classroom observations of teachers as they implement the techniques and strategies, and provide modeling and constructive feedback.
- Provide consultation to teachers, paraprofessionals and administrators as requested.
- Work with staff to model and demonstrate skills for appropriate instructional strategies.
- Other duties as assigned.

Terms of Employment: 220 Day Contract. Salary based on the KEDC salary scale. Consultant will be based out of the Richmond/Somerset area.

Evaluation: Performance of this job will be evaluated in accordance with Policy and Procedures developed by the KEDC/WTEC board.

TO APPLY: On or before May 13, 2011, send letter of application and current Vita, and three letters of reference to:
